DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

INVENTOR SHIP

The request to correct the inventorship of this nonprovisional application under 37 CFR 1.48(a) is deficient because:

In view of the papers filed on April 18, 2005, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding "Sigmund Sundfor" as an inventor.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.

Receipt is acknowledged of the statement requesting that adding the inventor name which, was filed on April 18, 2005, has been corrected as requested.
